DECLARATION OF INTERESTS AND DISPENSATIONS

To receive declarations of interest.

To receive written requests for dispensations for disclosable pecuniary interests.

To grant any requests for dispensation as appropriate

PLANNING APPLICATIONS

Application 20/00915/OUT

Erection of a residential dwelling and detached double garage on the property known as Greenacre Barns, Land off Tinkers Castle Road, Seisdon

Objections to the proposed development:

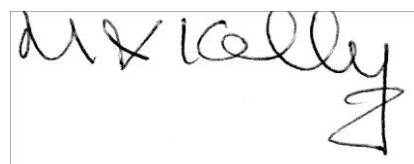

Inappropriate development in the Green Belt and it is outside the Development Boundary.

The proposed dwelling is in an isolated location which National Guidance dictates should be avoided and there are no social or environmental benefits that would outweigh this unnecessary residential intrusion into the Green Belt.

The proposed development will remove a functioning agricultural facility to the detriment of any local agricultural need.

Clerk to forward objections to the Planning Office.

SIGNED

DATED 13th January 2021
